Ruckers: A Harpsichord and Virginal Building Tradition

GRANT O'BRIEN

This book describes in detail the art and technique of the Ruckers family who produced harpsichords and virginals for over a hundred years. The text is richly illustrated and presents a wealth of detailed information about the construction and decoration of the Ruckers instruments.

Authenticity in Performance

Eighteenth-Century Case Studies

PETER LE HURAY

Focusing on nine well-known works, Le Huray's study addresses the important questions that those involved in 'authentic interpretation' need to be aware of. This original book is essential reading for all those interested in this area of music practice.

Music in the Seventeenth Century

LORENZO BIANCONI

Translated by DAVID BRYANT

This book considers the radical developments of the seventeenth century, as musical traditions were replaced by new ideas in response to changing social contexts. Through an examination of musical style as well as cultural aspects, Bianconi presents a fresh picture of musical life of the seventeenth century.
